- Carl Ross from the Common Area Committee attended the meeting to discuss a free MEGA secure interest data storage account that the CVHA Common Committe has opened. The Common Area Committee is using it to preserve all common area survey data. The proposal is to transfer control of the MEGA account to the Board as it would be able to store permanent and temporary files in this account. Janet will look into the MEGA account to see if this is something that will be advantageous for all of CVHA.
- Jason gave an update on the 1<sup>st</sup> Bank CD reassignments. The account ending 4633 has been rolled into a 6-month CD which now gets a higher interest rate. The CD ending in 0703 matures in April and, at that time, a new 6 month CD will be opened to get a higher rate of interest. Al proposed that at the March meeting we I will discuss further at moving the 4633 into the 0703 account.
- Dates for the February Farewell Dinner for former directors Jim, Howie and Stan was
  discussed with four possible dates. Chas will contact the former board members to get
  a consensus on which date will work best. Possible gifts and the budget were also
  discussed. Possible dates are February 16, 17, 23, or 24<sup>th</sup>.

Janet will contact SarahRose for suggestions and look at other vendors. Further discussion will take place at the February meeting.
- Janet will replace Board member pictures and is requesting each Board member send her two pics that will be appropriate for the website.

### **OLD BUSINESS**

Cathy gave an update of assessment payments that have been paid. Payments have been paid by website, by check or through ACH system. There are still 28 outstanding payments to be collected. Final invoices and reminders were handed out to directors to deliver to homeowners who have yet to pay. These reminders to be delivered by the end of the March 24<sup>th</sup> weekend. If assessments have not been paid by the April board meeting, then liens will be placed on the homeowners properties.

Janet gave updated information on the website and changes that have been made. Due to homeowner confusion on the 6-digit code for website participation it was determined that this requirement will be removed. Updated information has been updated in the website and all data in Wix is current.

Cathy shared the 2023 tax filing will be completed and submitted by April 15th.

Jason has been given the go-ahead to transfer \$4700 from the 1<sup>st</sup> Bank checking account and add it to the 0703 CD as this will give a higher interest on the account. This CD matures on April 10<sup>th</sup>.

Due to Al's absence, we don't have an answer on the missing color wheel. Will revisit at the April meeting.

As Jason was absent, we don't have an update on the assessment payments paid through the website as there is a problem with the entry information in Quickbooks. Will discuss further at the April meeting.

There has been no new developments in the Hogan property and the covenant violations. The title company and realtor have received the status letter rejection and have reached out to the Hogan family for next steps. We will keep the board updated on any developments or progress.

Dumpsters clean up week will be the  $2^{nd}$  and  $3^{rd}$  week of June (dates to be announced at the April meeting). This allows homeowners who participate in the garage sale on June  $1^{st}$  time to determine if they need to discard unwanted or unsold items.

Cheryl gave an update on the Foothills Concert which will be held on June 27<sup>th</sup>. Bounce house has been secured and plans are moving forward. Possible sponsors, who live in Comstock Village and own Massage Heights are willing to bring tent and provide 10-minute massages for concert goers and are willing to donate funds for the concert.

Jamie Baker (owner of B & K Security) briefly attended the meeting and introduced himself. He listened to minor concerns, took notes and will address with staff.

Spring Newsletter articles were discussed, and it was determined articles will be due to Cathy by the April meeting. Assignments have been given and it is anticipated the Spring Newsletter will be sent out through the website by the first week in May.

### **COVENANT VIOLATIONS**

6665 Grey Eagle Terrace will remain on the list until a determination is made on the covenant violations and the rejected status letter. Jason will be primary contact for this property.

MEETING ADJOURNED at 9:00 p.m.

# COMSTOCK VILLAGE HOMEOWNERS ASSOCIATION BOARD OF DIRECTORS MEETING MINUTES APRIL 17, 2024

CALL TO ORDER: 7:05 PM

-- Determination of Quorum: Met

MINUTES OF MARCH MEETING: Approved

**FINANCIALS**: Financials approved.

**REPORTS**: Administrator timesheet approved

New homeowners reviewed

No outstanding architectural approvals

### **OLD BUSINESS**

Cathy gave an update of paid assessments to date. Currently there are 10 outstanding payments to be collected. Those accounts will be sent to the Comstock legal representative to have liens placed on the homeowner's properties by the next meeting.

Janet was unable to attend the meeting, however, the board approved additional funds to increase the number of emails sent through the website which will solve the problem of the monthly email limit.

Jason was able to successfully transfer the necessary funds from the checking account to the CD ending in 0703 which now gives this account a higher interest rate to 4.88%.

Spring newsletter articles were due from board members at this April meeting. Once all articles have been received Cathy will develop a draft of the newsletter for the board's review. The goal is to have the newsletter sent to homeowners by the first week of May.

A letter has been written regarding the Hogan property and that all overdue assessments are required to be paid before the Status Letter is sent. The buyer of the property submitted a letter to the board requesting he be granted 2 ½ months to get the property up to covenant standards after possession has taken place. CVHA is waiting for the overdue assessment payments and then a conditional status letter will be sent to the title company. Once repairs have been completed a final status letter will be sent.

Dumpsters clean up week will be the 2<sup>nd</sup> and 3<sup>rd</sup> week of June. Dates will be June 5, 6, 11, and 12. Baker & King will be hired to patrol the dumpster areas to ensure the dumpsters are for the use only of Comstock Village HOA homeowners. Residents may be asked by B & K staff to show proof of identity to ensure they live in the CVHA area. B & K will be hired for 8 hours on the 1<sup>st</sup> day of the week when the dumpsters are delivered and 4 hours the second day.

Jason gave an update on the Foothills Concert which will be held on June 27<sup>th</sup>. Donations from local businesses will be solicited by board members. The contract with the band "Starburn" has been signed and further details will continue to be worked on.

There has not been a solution to the QuickBooks/website payment issue. Cathy will contact the former administrator, Alicia, to see if she is able and willing to assist with a resolution to the merging of those systems.

Cathy gave an estimate for a CVHA laptop to be used by the Administrator. The board approved the purchase.

Al was unable to attend the meeting so there has not been a determination if the missing paint wheel can be returned.

### **COVENANT VIOLATIONS**

6665 Grey Eagle Terrace will remain on the list until a determination is made on the covenant violations and the rejected status letter. Jason will be primary contact for this property.

## COMSTOCK VILLAGE HOMEOWNERS ASSOCIATION BOARD OF DIRECTORS MEETING MINUTES APRIL 17, 2024

CALL TO ORDER: 7:05 PM

-- Determination of Quorum: Met

MINUTES OF MARCH MEETING: Approved

FINANCIALS: Financials approved.

**REPORTS**: Administrator timesheet approved

New homeowners reviewed

No outstanding architectural approvals

#### **OLD BUSINESS**

Cathy gave an update of paid assessments to date. Currently there are 10 outstanding payments to be collected. Those accounts will be sent to the Comstock legal representative to have liens placed on the homeowner's properties by the next meeting.

Janet was unable to attend the meeting, however, the board approved additional funds to increase the number of emails sent through the website which will solve the problem of the monthly email limit.

Jason was able to successfully transfer the necessary funds from the checking account to the CD ending in 0703 which now gives this account a higher interest rate to 4.88%.

Spring newsletter articles were due from board members at this April meeting. Once all articles have been received Cathy will develop a draft of the newsletter for the board's review. The goal is to have the newsletter sent to homeowners by the first week of May.

A letter has been written regarding the Hogan property and that all overdue assessments are required to be paid before the Status Letter is sent. The buyer of the property submitted a letter to the board requesting he be granted 2 ½ months to get the property up to covenant standards after possession has taken place. CVHA is waiting for the overdue assessment payments and then a conditional status letter will be sent to the title company. Once repairs have been completed a final status letter will be sent.

Dumpsters clean up week will be the 2<sup>nd</sup> and 3<sup>rd</sup> week of June. Dates will be June 5, 6, 11, and 12. Baker & King will be hired to patrol the dumpster areas to ensure the dumpsters are for the use only of Comstock Village HOA homeowners. Residents may be asked by B & K staff to show proof of identity to ensure they live in the CVHA area. B & K will be hired for 8 hours on the 1<sup>st</sup> day of the week when the dumpsters are delivered and 4 hours the second day.

Jason gave an update on the Foothills Concert which will be held on June 27<sup>th</sup>. Donations from local businesses will be solicited by board members. The contract with the band "Starburn" has been signed and further details will continue to be worked on.

There has not been a solution to the QuickBooks/website payment issue. Cathy will contact the former administrator, Alicia, to see if she is able and willing to assist with a resolution to the merging of those systems.

Cathy gave an estimate for a CVHA laptop to be used by the Administrator. The board approved the purchase.

Al was unable to attend the meeting so there has not been a determination if the missing paint wheel can be returned.

### COVENANT VIOLATIONS

6665 Grey Eagle Terrace will remain on the list until a determination is made on the covenant violations and the rejected status letter. Jason will be primary contact for this property.

## COMSTOCK VILLAGE HOMEOWNERS ASSOCIATION BOARD OF DIRECTORS MEETING MINUTES MAY 15, 2024

CALL TO ORDER: 7:00pm

-- Determination of Quorum: All Board Members present

MINUTES OF APRIL MEETING: Approved

FINANCIAL REPORTS April Financial Statements approved

REPORTS:

Timesheet - approved New Homeowners (none) Architectural Approvals (none)

### **OLD BUSINESS**

- Cathy gave an update of the 2024 annual assessment liens. The liens have been placed and she's waiting for official copies from El Paso County. The legal advisor for CVHA has been out of state and upon her return we will have the official notification which will then be sent to four homeowners.
- Hogan property update was given by Cathy. The new homeowner has taken possession
  and is in the process of updating both the interior and exterior of the property. Once
  the renovations have been completed another inspection will take place and if all
  previous covenant violations have met standards another status letter will be sent.
- Cathy reported that the QuickBooks "late fee" resolution has been completed. The
  previous administrator was able to find a solution for the processing of the annual
  assessment amounts. A suggestion she made was to come up with a permanent fix to
  the problem before the next assessments are sent out. Cathy will reach out to her to
  again see if she can provide a step-by-step process for the HOA.
- Kevin presented contracts by Baker & King for their coverage for the dumpster patrol
  and the June 27<sup>th</sup> concert. Kevin will finalize the contracts with B & K and get them to
  Chas for signature. Cathy will provide Kevin with a mailing list of property owners to
  give to B & K for the verification that they are, indeed, a CVHA homeowner.
- Jason and Cheryl gave updates on the planning progress for the June Foothills concert.
   Arrangements have mostly been made and solicitation of sponsorships will be conducted. Help is needed for the following duties: securing tents, ice cream scoopers, sign hanging and a face painter for the kids. The oversized games have been rented and contact has been made with the massage therapist. Further details will be given at the

June meeting about the possibility of wine tasting. Cathy reminded directors if there are costs for the concert and checks are needed at the time of the concert those should be submitted as soon as possible.

- The laptop has been purchased and delivered for the administrators' use. All HOA programs used still need to be set up, however this will be done within the next few days. An update will be given at the June meeting.
- Al has reached out to Sherwin-Williams to get the color wheel back; however, he hasn't been successful, and we will not be able to retrieve it.

# **NEW BUSINESS**

- Al will follow up with the reporting that the property 7169 Dark Horse is being used as an Air B & B.
- A homeowner request for planting micro clover in their yard was discussed, however, it
  was determined the HOA would not allow it due to the possibility that the clover could
  spread and encroach on the neighbor's property.

COVENANT VIOLATIONS – were discussed and a plan of action for the violations was made.

## COMSTOCK VILLAGE HOMEOWNERS ASSOCIATION BOARD OF DIRECTORS MEETING MINUTES JUNE 19, 2024

CALL TO ORDER: 7:00pm

-- Determination of Quorum: All Board Members present

MINUTES OF MAY MEETING: Approved

FINANCIAL REPORTS May Financial Statements approved

**REPORTS:** 

Timesheet - approved New Homeowners Architectural Approvals (none)

### **OLD BUSINESS**

- Cathy gave a debrief on the Spring dumpster weeks and of the June Garage Sale. Even with good weather the Garage Sale homeowner participation was not great. It is estimated that 20-25 homeowners took part in the event. Due to this and previous year's low participation rate the suggestion was made to add a line in the annual meeting ballot so homeowners can vote if they wish to continue this annual event. Overall, the Dumpster weeks went fairly well. Iron Mountain was able to deliver all dumpsters as scheduled in the early mornings and picked up the following day on time. There is still some confusion on the part of the Iron Mountain drivers as to where in the cul-de-sac the dumpsters should be placed. Chalk marks were made on the cul-de-sacs for the 2<sup>nd</sup> week of the dumpster deliveries, so drivers knew exactly where they were to be placed. It is not known if Baker & King had difficulties with any homeowners who may have been asked to show ID. There were no reported concerns or complaints about this process.
- A report was given by Jason and Cheryl on the final plans for the Foothills concert
  coordination. Signs have been updated; a permit has been received for the wine tasting
  and the food truck has been secured. In addition, the games have been rented, face
  painters have been found and sponsors have contributed to the event. Baker & King will
  have a security guard at the event for 3 hours and ice cream scoopers and ice cream is
  planned.

- A contract to cut the grass along Rockrimmon Blvd was discussed. Cathy will contact
  Frank Barker asking Sonny to mow the grass by the sidewalk from Grey Eagle Dr and
  War Eagle Drive.
- Discussion followed with a permanent solution to the Quickbooks/Wix payment issue.
   Cathy will contact both SarahRose and Alicia to see if they have any suggestions or can problem solve this in time for the January 2025 annual assessment.
- Janet has set up a new Comstock Village email address due to the issue with the old email was not functional at the time of the meeting. An announcement was placed on the website informing homeowners of this new email address.

**COVENANT VIOLATIONS** – were discussed and a plan of action for the violations was made.

# COMSTOCK VILLAGE HOMEOWNERS ASSOCIATION BOARD OF DIRECTORS MEETING MINUTES AUGUST 21, 2024

CALL TO ORDER: 7:00pm

-- Determination of Quorum: Quorum Met

MINUTES OF JULY MEETING: Approved

FINANCIAL REPORTS July Financial Statements approved

**REPORTS:** 

Timesheet - approved New Homeowners Architectural Approvals

#### **OLD BUSINESS**

- Bill Schmidt gave information regarding the topic of removing temporary lease businesses (e.g. Air BnB, etc) from Comstock Village. The city of Colorado Springs short term rental requirements was given and there was discussion on options as to how the Board should move forward on this situation. There will be further discussion at future meetings.
- Cathy reported her findings on The Quickbooks/Website integration. The process is not as easy as the board hoped. For the integration to take place a third-party connector needs to be involved in the process. Cathy will contact the previous administrator to see if she has suggestions and/or options to make this work. Suggestion was made to have Cathy call other HOAs to see how they send of their assessments and the process they use. Cathy will report back at the next meeting. Cheryl and Jason gave a recap of the Foothills Concert. The weather cooperated and the games were popular with the attendees. A suggestion was made to offer Jenga and Connect Four as those were a hit. The food truck was a plus and face painting was a huge success. The band did a good job; however, the wine tasting was somewhat popular, however, the people manning the table were not full of personality. It was suggested we increase the security patrol by one hour as their time starts when they pick up the vehicle to patrol the concert.
- Al gave a draft of of the 2025 budgets which will be presented at the Annual Meeting in October. This draft will be revised and then reviewed at the September Board meeting.
- Potential Rockrimmon Library closure was tabled as Janet was unable to attend the meeting.

- Cathy will contact Frank Barber to have Sonny move the grass and weeds again along Rockrimmon. This was done in July, however, with the excessive amount of rain we've had this needs to be done again.
- Cathy has received three biographies from interested homeowners who would like to be considered for the CVHA Board.
- The cyber-crime topic was tabled.
- Administrator overtime compensation was discussed. The Board approved six hours of overtime for the additional hours the administrator has worked in the last 6 months.

COVENANT VIOLATIONS - were discussed and a plan of action for the violations was made.

# COMSTOCK VILLAGE HOMEOWNERS ASSOCIATION BOARD OF DIRECTORS MEETING MINUTES SEPTEMBER 18, 2024

CALL TO ORDER: 7:00pm

-- Determination of Quorum: Chas, Jason, Cheryl, Janet, Al, John (attended), Kevin absent

MINUTES OF AUGUST MEETING: Approved

FINANCIAL REPORTS August Financial Statements approved

**REPORTS:** 

Timesheet - approved New Homeowners Architectural Approvals

#### **OLD BUSINESS**

- Alicia Klausmeier (former administrator) called in to discuss the board's request to have homeowners pay their annual assessment through the website. There have been issues with the website and payments to the correct account in Quickbooks. Unless there is a third-party involved in this conversion (Square, Elavon, etc) this cannot happen. Multiple work arounds would need to be made to make this happen. After discussion it was determined that for the 2025 assessments will be send out through Quickbooks and those homeowners who have not provided email address will receive their invoices by mail.
- Frank Barber from the Common Area committee attended and gave further information on homeowner addresses that have been encroaching into the common area space.
   Discussion was held and those homeowners will receive license to use letters.
- There was discussion on the plans for the October Board meeting, which will be held on October 15<sup>th</sup> and the annual meeting which is October 16<sup>th</sup>. Individual assignments were given for the presentation of information and final planning will be done at the October 15<sup>th</sup> meeting. Newly elected board members will be announced by email shortly after the annual meeting.
- Chas will invite the newly elected board members to attend the November meeting so
  they can become familiar with the processes of the board. Outgoing board members
  will give Cathy their binders so they can be passed along to the new board members.
- The administrator overtime compensation was discussed and approved.

- Chas announced that Janet Wagner is stepping down from a voting member of the board and will continue to assume the position of Director of Communication for CVHA.
- Discussion was made and determined that all email correspondence will be sent out
  using the new <u>infocvha@gmail.com</u> address. Janet will contact the web host to move
  the emails from the previous address to the new Gmail account.
- Dumpster assignments for the fall clean-up weeks were distributed.
- There was a vote to have Jason Bianchi fill in for the director gap from John Ugarte as he
  is deployed from October 2024-June 2025. John will assume his director duties upon
  return.

**COVENANT VIOLATIONS** – were discussed and a plan of action for the violations was made.
